CEP Lorient (NM1) added to their roster 25-year old Lithuanian center Dominykas Milka (203-118kg-92, college: St.Rose, NY). He played last season at Geneve Lions in Swiss LNA league. Milka managed to play in five leagues in two countries last year (!!!). In four LNA games he recorded 7.8ppg, 2.8rpg and 1.0apg. He also played that season for Tartu Ulikool in Estonian Alexela KML. The team played in four different competitions (!!!) that year, and Milka had a chance to explore basketball on different levels. In 34 Alexela KML games he averaged 12.1ppg, 7.3rpg and 1.4apg. He helped them to end the regular season as a second best team in the league. They also played in the Cup final. They also advanced to the league semifinals. Milka also played 4 games in FIBA Europe Cup where he got 11.5ppg, 7.3rpg and 1.5apg. He also played 8 games in Baltic League where he got impressive 16.0ppg, 7.1rpg and 1.3apg. And finally Milka played 4 games in Basketball Champions League where he got 14.8ppg, 5.5rpg and 1.3apg. Milka played in the final of Swiss LNA. He was voted NABC NCAA D2 All-East Region 1st Team back in 2014 at his college time. Thanks to Milka's pro career he managed to play on three different continents (Europe, Asia and of course North America). Milka has played previously professionally in Japan (Dragonflies), Lithuania (Lietkabelis and Vytautas) and Estonia (TLU/Kalev). He attended College of Saint Rose until 2014 and it will be his fourth season as a professional player.
