London Lions sign up Demond Watt

London Lions are pleased to announce that Demond Watt will join the team for the 2015-16 season.

The mercurial Watt was a beast in the BBL last season bagging numerous Player of the Month Awards playing for the Cheshire Phoenix. A stat line of 19 points and 12 rebounds whilst shooting an eye popping 64% from the floor marked Watt as key man on his team.

At 6'7? Watt is athletic and commands the painted area. A graduate of Texas A&M University in the US, he was a key player there also, his last college season nailing 15 points and 9 rebounds.

Following graduation Watt had seasons in Sweden and Iceland, winning the Championship in 2014 with KR Reykjavik.

Lions Head Coach, Nigel Lloyd commented, "Demond is a solid acquisition for us, he is proven and that's the best thing I can say, he knows what our League is about and clearly goes to battle each and every night, I think he will bring a steel and character to us that will be positive."
